

Adoration

Newsboys; Adoration

C#m E

I'm here with the others

A E

Who saw the heavens testify

C#m E

Now I hang back in the shadows

A B

I want to come close

C#m

I want to know

E

She sees me shivering here

A E

She smiles and with a nod

C#m E

I walk through the mud and straw

A E

To the newborn Son of God

E

Come, let us adore Him

E

He has come down to this barren land

B

Where we live

A

And all I have to give Him

E

Is Adoration

C#m E

He raises a wrinkled hand

A E

Through the dust and the flies

C#m E

Wrapped in rags like we are

A B

And with barely open eyes

C#m

He takes my finger

E

And he won't let go

A E

And he won't let go

C#m E

It's nothing like I knew before

A E

And it's all I need to know

A D A

God is with us here

A D A

Our Immanuel

A D A

God is with us here

A D A

Our Immanuel

O come let us adore Him

E

O come let us adore Him

B A

Jesus, our Immanuel

B A

Is with us here and He won't let go
