

Be still my soul

Kari Jobe version;

Be still, my soul, the Lord is on thy *side*
Bear patiently the cross of grief or pain
Leave to thy God to order and provi*de*
In every change He faithful will remain
Be still, my soul, thy best, thy heavenly friend*d*
Through thorny ways leads to a joyful end*d*

Be still, my soul, thy God doth undertake*e*
To guide the future as He has the past
Thy hope, thy confidence, let nothing shake*e*
All now mysterious shall be bright at last
Be still, my soul, the waves and winds still know
His voice Who ruled them while He dwelt below

In you I rest, in You I found my hope*e*
In you I trust, You never let me go
I place my life within your hands alone*e*
Be still, my soul

Be still, my soul, the hour is hastening on
When we shall be forever with the Lord*d*
When disappointed grief and fear are gone*e*
Sorrow forgot, love's purest joys restore*d*
Be still, my soul, when change and tears are past
All safe and blessed we shall meet at last

In you I rest, in You I found my hope*e*
In you I trust, You never let me go
I place my life within your hands alone*e*
Be still, my soul

In you I rest, in You I found my hope*e*
In you I trust, You never let me go
I place my life within your hands alone*e*
Be still, my soul

In you I rest, in You I found my hope*e*
In you I trust, You never let me go

I place my life within your hands alone

Be still, my soul
