

Father Of Lights

Jesus Culture; Father Of Lights

Bm G A

Like a flame, love burned in Your eyes

Bm G A

Driving You to pay the greatest price

Bm G A

You bought my life, so I could be a light

Bm G A

Reflecting You, reflecting love

Bm D A

Everything good comes from You, Father of Lights

Bm D A

Your love will always pierce through the darkest night

Bm

Love has a voice

D

Love has a name

A

Jesus, Jesus

Bm

Your love is a light

D

Filling my eyes

A

Jesus, Jesus

Bm G A

You bore the weight, of death upon Your heart

Bm G A

And Your last breath tore the veil apart

Bm G A

You made a way, for me to walk in grace

Bm G A

So I could love You, face to face

Bm G D

I will never be the *same*

A Bm

Love has called my *name*

Bm G D A

From the ashes, I rise to proclaim

Bm G

Your love is undefeated

D A Bm

Forever You will reign

G D A

Justice has won again
