

Friendship And The Fear

Matt Redman; Friendship And The Fear

Bm *G*

Show me the way of the cross once again

Bm *G(add6)* *Asus*

Denying myself for the love that I've gained

Em7 *Asus* *D/F#* *G*

Everything's You now, everything's changed,

A7sus *Bm*

It's time You had my whole life;

G *Asus* *D*

You can have it all.

A7sus *D* *A7sus* *D*

I resolve to give it all;

G *A7sus*

Some things must die,

D *G*

Some things must live.

A7sus

Not, "What can I gain,"

D *G*

But, "What can I give?"

A7sus *D* *G*

If much is required when much is received,

A7sus *Bm*

Then You can have my whole life;

G *Asus* *D*

Jesus, have it all.

Bm *G*

I've given like a beggar but lived like the rich

Bm *G* *Asus*

And crafted myself a more comfortable cross,

Em7 *Asus* *D/F#* *G*

Yet what I am called to is deeper than this,

A7sus *Bm*

It's time You had my whole life;

G Asus D

You can have it all.
