

Glorious Ruins

Hillsong;

D

When the mountains fall

A

Bm

G

And the tempest roars You are with me

D

When creation folds

A

Bm

G

Still my soul will soar on Your mercy

Bm

I'll walk through the fire

G

With my head lifted high

D

A

And my spirit revived in Your story

Bm

And I'll look to the cross

G

As my failure is lost

D

A

In the light of Your glorious grace

D

Let the ruins come to life

G

In the beauty of Your Name

D

Rising up from the ashes

A

God forever You reign

Bm

And my soul will find refuge

G

In the shadow of Your wings

D

I will love You forever

A

And forever I'll sing

D

When the world caves in

A

Bm G

Still my hope will cling to Your promise

D

Where my courage ends

A

Bm

G

Let my heart find strength in Your presence
