

Here I am to worship

E B F#m E B A
Light of the world, You stepped down into darkness, opened my eyes let me *see*

Beauty that made this heart adore You, hope of a life spent with You

Here I am to worship, Here I am to bow down Here I am to say that Your my *God*

You're altogether lovely, altogether worthy, altogether wonderful to *me*

King of all days, oh, so highly exalted, Glorious in Heaven above
Humbly You came to the earth You created, all for love sake became poor

I'll never know how much it costs to see my sin upon that cross
