

I love Your presence

In the glory
Of your presence
I find rest
For my soul

In the depths
Of your love
I find peace
Makes me whole

I love I love I love your presence
I love I love I love your presence
I love I love I love you Jesus
I love I love I love your presence

I love I love I love your presence
I love I love I love your presence
I love I love I love you Jesus
I love I love I love your presence

In the glory
Of your presence
I find rest
For my soul

In the depths
Of your love
I find peace
Makes me whole

I love I love I love your presence
I love I love I love your presence
I love I love I love you Jesus
I love I love I love your presence

I love I love I love your presence
I love I love I love your presence
I love I love I love you Jesus
