

Landslide Of Love

Newsboys; Landslide Of Love

A

Opening salvo

A

Didn't help solve anything*g*

A

D

Every time we shout our rights out

E

A

We get all grouchy and gray

A

It's all about me, me*e*

A

It's all about what I can take*e*

A

D

And if that doesn't ring true anymore*e*

E

A

Maybe it was our first mistake*e*

A

D

And since we don't believe in Santa Claus

E

A

Maybe we'd best stay awake*e*

A

D

Every time a teardrop falls

D

F#m

It's kicking up dust in our world of pain

F#m *E*

Let's get drenched under God's good rain

E *A*

Caught in a deluge of mercies

A *D*

Like a pebble clings to dirt

D *F#m*

We're still clinging to bedrock sin

F#m *E*

Let's get swept off our feet again

E *A*

Caught in a landslide of love

A

It's all about me, me

A

It's all about all I can take

A *D*

The good I try to do goes nowhere

E *A*

The bad just seizes the day

A *D*

And if we're here for something bigger, baby

E *A*

There's gotta be some better way

D

No, not angels or devils

A

No, not famine or war

D

No, not the past or the present

D F#m E A

Not even the ground separates from God's love*e*

A F#m E A

Not even the ground separates from His love*e*
