

Our God is greater

Chris Tomlin;

Water You turned into wine^e
Open the eyes of the blind^d
There's no one like You
None like You

Into the darkness You shine^e
Out of the ashes we rise^e
There's no one like You
None like You

Our God is greater, our God is stronger
God You are higher than any other
Our God is Healer, awesome In power
Our God, Our God^d

Into the darkness you shine^e
Out of the ashes we rise^e
There's no One like You
None like You

Our God is greater, our God is stronger
God You are higher than any other
Our God is Healer, awesome and power
Our God, Our God^d

Our God is greater, our God is stronger
God You are higher than any other
Our God is Healer, awesome and power
Our God, Our God^d

And if our God is for us, then who could ever stop us
And if our God is with us, then what can stand against?

And if our God is for us, then who could ever stop us
And if our God is with us, then what can stand against?
What can stand against?

Our God is greater, our God is stronger

God, You are higher than any other
Our God is Healer, awesome and power
Our God, Our God^d

Our God is greater, our God is stronger
God, You are higher than any other
Our God is Healer, awesome and power
Our God, Our God^d

And if our God is for us, then who could ever stop us
And if our God is with us, then what can stand against?

And if our God is for us, then who can ever stop us
And if our God is with us, then what can stand against?
Then what can stand against?
Then what can stand against?

Our God is greater, our God is stronger
God You are higher than any other
Our God is Healer, awesome and power
Our God, Our God^d

Our God is greater, our God is stronger
God You are higher than any other
