

Praises

Newsboys; Praises

Am

Tears have fallen

F Am

Water beats

Am Em F

Wipe the floor with my regrets

Am

In the crevice

F Am

Tiny seeds

Am Em F

Spring to life from pardoned debts

G

And all I have all I have is

F C2

Praises on my tongue

Am

From my heart

G F

For our God who became flesh

C2

For us all

Am

Unto You

G

I will sing my praises, sing forever

Am

In the quiet

F Am

I lament

Am Em F

Every nail my sin did buy

Am

And I wonder

F Am

Why You spent

Am Em F

Lavish blood on such as I

G

When all I have, all I have is

F C2 G

Oh for a thousand tongues to sing

To sing aloud, sing aloud

F C2 G

All to the glory of my God and King

To sing aloud, sing aloud

G

This is the truth

C

Of God and man and life
