

Rain down

Delirious; Rain down

Em G/D C

Looks like tonight, the sky is heavy

Em G/D C

Feels like the winds are gonna change

Em G/D C

Beneath my feet, the earth is ready

Em G/D C G

I know its time for heaven's rain, it's gonna rain

C Cmaj7

Cause its living water we desire to flood our hearts with holy fire

G

Rain down, all around the world we're singing

C

Rain down can you hear the earth is singing

G

Rain down all around your people singing

C G

Rain down rain it down on me.

Back to the start, my heart is heavy

Feels like it's time, to dream again

I see the clouds, and yes i'm ready

To dance upon, this barren land

Hope in my hands, yeah yeah

Cause living water we desire,

to flood our hearts with holy fire

G

Rain down, all around the world we're singing

C

Rain down, can you hear the Earth is singing

G

Rain down, my heart is dry but still i'm singing

C

Rain down, rain it down

F C G D Bb F C

Do not shut, do not shut, do not shut, the heavens

F C G D Bb F C

But open up, open up, open up, our hearts

G

Rain down, all around the world we're singing

C

Rain down...

G

Give me strength to cross this water,

C

keep my heart upon your altar, rain down

G

Give me strength to cross this water

C

keep my feet, don't let me falter, rain down
