

The Anthem

Jesus Culture; The Anthem

Am *F*
I can hear the footsteps of my King

C *G*
I can hear His heartbeat beckoning

Am *F*
In my darkness He has set me free

C *G*
And now I hear the Spirit calling me

Am
Wake up child

F
It's your time to shine

C *G*
You were born for such a time as this

Am *F*
I can hear a holy rumbling

C *G*
I've begun to preach another King

Am *F*
Loosing chains and breaking down the walls

C *G*
I want to hear the Father when He calls

Am
This is the anthem of our generation

F
Here we are God, shake our nation

C
All we need is Your love

G
You captivate me

Am

I am royalty

F

I have destiny

Am

I have been set free

F

I'm gonna shape history

Am

I'm gonna change the world

F

I'm gonna change the world

C

I'm gonna change the world

G

I'm gonna change the world
