

There Is Always A Song

Martin Smith; There Is Always A Song

C *G/B*
I don't know how to breathe
Am *Am/G* *F*
I don't know how to leave You
C *G/B*
I don't know what to say
Am *Am/G* *F*
And who am I to say it anyway

F
But there is always a song
Am *G/B* *C G C*
And I'll try to sing along over You
F
I can hear it being sung
Am *G/B* *C G C*
All of heaven sings along over You

C *G/B*
I hardly know Your name
Am *Am/G* *F*
I didn't come to save you
C *G/B*
Your smile just broke my heart
Am *Am/G* *F*
Now in my heart I know you'll never leave me.

Dm *Dm/C* *G/B*
Sing, sing like you've never sung
C *C/E* *F*
Sing for your joy to come
Dm *Dm/C* *G* *G/B*
Sing, sing like you've never sung
C *C/E* *F*

Sing of our joy to come
