

We Are Forgiven

Elevation Worship; We Are Forgiven

C D G/B C

After we had fallen

D G/B C

You opened up our heart and

D G/B C

Spoke the truth

D G/B C

The bags we had to carry

D G/B C

They were getting heavy

D G/B C

But not for you

Am G/B

You took up our crosses

Em D C

And cut all our losses

Am G/B C

And paid for our freedom in you

G D Em G C

We are forgiven, covered by the blood

Em D C

Of a son who was given up for us

G D Em G C

We are your children, adopted in love

Em D C

That could take all our mess and make us clean

Em D C

You take all our messes and make them clean

Our shadows now behind us

Our hope inside a promise

You never leave

You brought us to the light God

And told us "Rest in me child"

G C Em

Hallelujah we are free

D C

We are free
