

Winter Snow

Chris Tomlin; Winter Snow

G A D

Could've come like a mighty storm

G A Bm7

With all the strength of a hurricane

G A Bm7

You could've come like a forest fire

G D/F# A

With the power of heaven in Your flame

Bm A G

But You came like a winter snow

Bm A G

Quiet and soft and slow

Bm A G

Falling from the sky in the night

A D

To the earth below

You could've swept in like a tidal wave

Or an ocean to ravish our hearts

You could have come through like a roaring flood

To wipe away the things we've scarred

A G D A G D

Oh, no, Your voice wasn't in a bush burning

A D A Bm

No, Your voice wasn't in a rushing wind

A

It was still

G

It was small

A Bm

It was hidden

Bm A G

But You came like a winter snow

Bm *A* *G*

Quiet and soft and slow

Bm *A* *G*

Falling from the sky in the night

A *D*

To the earth below
